THE FREEDMEN'S BUREAU AND GENERAL HOWARD'S EXPLANATION.—We publish a letter from General C. O. Howard, Commissioner of the Freedmen's Bureau, in which that officer attempts an explanation in regard to charges made about the workings of the Bureau in the Southern States. We also give a letter from a Freedman's Bureau Commissioner, in which he attempts an explanation in regard to charges made about the workings of the Bureau in the Southern States. ARE YOU AFFLICTED WITH A COUGH OR COLD? ARE YOU PREDISPOSED TO CONSUMPTION? Are the lives of your children in jeopardy from sudden and repeated attacks of Croup? If so, purchase a box of BLADE'S PULMONARY LUBRICATORS! The people's most sure and effectual remedy for Coughs, Colds, Croup, Catarrh, Asthma, Bronchitis, Diphtheria and all pulmonary diseases. The LUBRICATOR is a medicinal preparation in the form of Lozenges, which is of all modes the most pleasant and convenient. They contain no deleterious ingredient, and are warranted to be always safe, even for the weakest and most sensitive stomach. In Croup they give immediate relief. For Coughs and Colds they are invaluable.

A Radical-Abolitionist, who went South thoroughly impressed with the belief that Mr. Sumner's scrap-book stood next to the Bible, in the case of the South, as the word of truth, has written a letter to the Chicago Times, in which he records a marvelous change of sentiment. The following extract will be found instructive: "Before coming South I was a staunch believer in all those ridiculous reports, gotten up by unprincipled politicians, in regard to the policy of the Southern people, and I openly argued the right policy that is urged by Stevens, Sumner & Co. But in justice to a brave and noble people, I will say that I have utterly failed to discover this much talked of treason. On the contrary, I have found a universal desire for peace and union. I confess that on arriving here, I cherished all the prejudices of a true Radical toward these down-trodden people, but my opinion has undergone an entire change, and I am now fully convinced of the gross wrongs that have been heaped upon them by the unscrupulous party now in power. I hope this unjust treatment of the brave but fallen foe may cease forever—that the reports of the political demagogues, who employ their pens in fabricating falsehoods of the deepest dye, may no longer deceive the Northern mind concerning the Southern States. They are all false—only intended to continue the dominant party in power."

The batteries of the Radicals are now turned principally upon Secretary Seward. They are "special" in their attacks upon him. They will next direct their fire against Secretary Stanton.

Rev. George Burgess, D. D., Bishop of the Protestant Episcopal Church in Maine, died a few days ago, whilst returning from the West Indies, where he had been for his health.

The Governor of Idaho territory sends an account of the recent murder of seventeen friendly Indians in that territory by a party of white men.

Several of the Union newspapers as well as some of the Union leaders in Maryland, are now against the radical section of their party.

A fire in the woods in Massachusetts has extended over 4000 acres, and did damage to the amount of \$50,000.

The latest accounts from Mexico report another defeat of the Liberals and the "empire as usual."

Rev. Theodore Tilton, for many years a Unitarian minister in New Orleans, died in Louisville, Kentucky.

The assemblies of the old and new school of the Presbyterian Church, are both in session in St. Louis.
